Website:<http://ghumarwin.kvs.ac.in/>

It's a matter of immense pleasure for me while releasing the newsletter of Kendriya Vidyalaya Ghumarwin. The Newsletter is mirror of activities, achievements and creative work of little angels of Primary Section. This platform is a way of encouragement and providing opportunity to the little angels as well as to the teachers to express their hidden talent. This Newsletter is a combination of students and teachers talent and creativity. I on behalf of all KV family of KV Ghumarwin congratulate the students of primary section and all teachers who have made this a best expression of talent and creativity with their efforts and hard work.

With Best Wishes
